

## **Professor George G. Stavroulakis**

*Technological Educational Institute of Crete  
School of Applied Sciences  
Department Natural Resources & Environmental Engineering*

***Curriculum vitae***

## **PERSONAL STATUS**

Name: George G. Stavroulakis  
Address : Technological Educational Institute of Crete- School of Applied Sciences  
Department of Natural Resources & Environmental Engineering  
3 Romanou str - Halepa - 71133 Hania - Crete  
Tel 0030 821 23012 - 23075  
Fax 0030 821 23012 - 23072  
Email [gstav@chania.teiher.gr](mailto:gstav@chania.teiher.gr)  
Web page <http://triton.chania.teicrete.gr/>

## **EDUCATION**

1986 Bachelor of Science Degree from the School of Agriculture, Department of Horticulture, University of Thessaloniki, Greece.  
1991 PhD Diploma from the School of Agriculture, Department of Horticulture, University of Thessaloniki, Greece.

## **SCHOLARSHIP**

1987-1990 Scholarship by the Greek Foundation of Scholarships for carrying out of Ph.D.Thesis  
1984-1985 Scholarship by the Greek Foundation of Scholarships as an award for exceptional academic performance.  
1982-1983 Scholarship by the Greek Foundation of Scholarships as an award for exceptional academic performance.

## **RESEARCH & TEACHING TOPICS**

- Pollution and contamination determination of drinking, surface, underground and coastal waters. Physical.chemical and biological parameters of water quality.
- Pedology - Soil analysis. Soil pathogenicity and pollution.

## **EDUCATIONAL EXPERIENCE**

2001 – Present Technological Educational Institution of Crete- School of Applied Sciences  
Department of Natural Resources & Environmental Engineering  
**Professor - Director** of the Laboratory of Water & Soil Resources Quality Control

### **Teaching the following Undergraduate courses**

<i>Energy, Environment &amp; Natural Resources</i>	TF 1005
<i>Ecology</i>	TF 2005
<i>Introduction of the Agricultural Environment</i>	TF 4004
<i>Agricultural Environment Control Technology (Pedology)</i>	TF 6006 / TF 6106
<i>Water Quality Control Technology</i>	TF 7006 / TF 7106

1997- 2001. Technological Educational Institution of Crete - School of Agricultural Technology - Department of Greenhouse Crops and Floriculture  
**Assistant Professor** on Postharvest Physiology & Technology  
**Scientific Coordinator** of the postgraduate short course on Organic Farming

1992-1997. Technological Educational Institution of Crete - School of Agricultural Technology - Department of Greenhouse Crops and Floriculture.  
**Visiting Assistant Professor**

- 1987-1999 Mediterranean Agronomic Institute of Chania - Department of Horticultural Sciences and Technology.  
**Research Coordinator** on Organic Farming Projects  
**Lecturer** in the course "Post-harvest Physiology and Technology".  
**Supervisor** in M.Sc. thesis of MAICH post-graduate students.
- 1987-1990. University of Thessaloniki - School of Agriculture – Department of Horticulture.  
**Researcher** - Coordination, education and survey of students during the carrying out of their diploma thesis on subjects related to Post-harvest Physiology of fruits. - Participation in teaching concerning laboratory exercises in the course on: "Postharvest Physiology of Fruits".

## **RESEARCH PROJECTS**

- 2010-2015 *Decision support tool for the management of urban run-off in coastal cities. COASTSURF.* The project is implemented through the Operational Program "Education and Lifelong Learning", Action Archimedes III : "Support of Research Teams of Technological Educational Institutes and is co-financed by the European Union (European Social Fund) and Greek national funds (National Strategic Reference Framework 2007 - 2013).  
**Scientific Co-ordinator.**
- 2002-2010 *Quality optimization plan of the drinking water in Vamos area.* Financed by the Municipality of Vamos. **Scientific Co-ordinator**
- 2009-2010 *Surface, ground and coastal water pollution load charting in Palaiochora.* Financed by the Municipality of Pelekanos. **Scientific Co-ordinator.**
- 2009-2010 *Quality assessment of the municipal ground water resources in Mousouron area.* Financed by the Municipality of Mousouron.  
**Scientific Co-ordinator.**
- 2007-2008 *Geographical distribution of the pollution load of surface, ground and coastal water in Georgioupolis area.* Financed by the Municipality of Georgioupolis. **Scientific Co-ordinator.**
- 2005 -2007. *Study of the coastal area of Palaiochora –Chania- for the sustainable management of the fishery resources.* Co-funded by the European Social Fund 75% and by the National Resources 25% Greek Ministry of Rural Development and Food through the Operational Program on Fishery.  
**Scientific Co-ordinator.**
- 2005 -2007 *Multiparametric identification system development for the origin of water resources in karstic basins : Application in the Keritis river basin (Natura 2000-Chania)".* Co-funded by the European Social Fund 75% and National Resources 25%, Operational Program for Education and Initial Vocational Training -ARCHIMEDES II : "Support of Research Teams of Technological Educational Institutes. **Scientific Co-ordinator.**
- 2005 Registering and digital mapping using GIS for the estate properties in the Municipality of Georgioupolis. Financed by the Municipality of Georgioupolis. **Scientific Co-ordinator.**

- 2002-2003**      *Evaluation of the bottled water quality.* Self-financed by the Laboratory of Water & Soil Resources Quality Control. **Scientific Co-ordinator.**
- 2001-2002      *Study of the sea water intrusion rate in the drills in Malia-Heraklio.* Financed by the Municipality of Mallia. **Scientific Co-ordinator.**
- 2000-2002      *Monitoring of the water quality of Kourna's lake.* Financed by the Municipality of Georgioupolis. **Scientific Co-ordinator**
- 1998 – 2000      *Protection, preservation and development of native and endanger species of the self-sown Cretan flora and the traditional cultivated species-varieties of fruits and vegetables : Construction of a botanical garden in the surrounding area of the Mediterranean Agronomic Institute of Crete.* Funded by the European Social Fund through the Regional Operational Programme of Crete. **Researcher**
- 1993-1998      Mediterranean Agronomic Institute of Chania - Department of Horticultural Sciences and Technology  
**Researcher-Scientific Co-ordinator** of the Greek participation in EC financed projects
- 1985 - 1991      University of Thessaloniki - School of Agriculture - Department of Horticulture.  
**Teaching Assistant-Researcher.** Member of the scientific team of the *research projects* financed by the Greek Ministry of Agriculture.

## **THESIS SUPERVISION**

### **PhD Thesis co-supervision**

Papafillipaki Androniki. Cultivation of vegetables in different soil types with the addition of compost contaminated with heavy metals. Financed by HERACLITUS II : 2010-2013. Member of the supervision committee.

Persefoni Maletsika: The organic and inorganic matter pollution effects on the fruit quality. University of Thessaly 2010-2013. – Member of the supervision committee.

### **MSc Thesis supervision**

Mavrokefalidou E .2013. Study of the underground water pollution by metribuzin. University of Crete. School of Chemistry.

Lazarou D. 2002. Monitoring of Water Quality in Kournas Lake” Aquatic Ecology and Water Quality Management - Wageningen University

Kazantzis I. 2001. Preharvest and postharvest factors on almond kernel quality. Mediterranean Agronomic Institute of Chania

Kayode Adeboye Adediran.2000.Chemical and biological control of Tetranychus urticae of red raspberry cultivated under greenhouse conditions and residues determination on Rubus fruit. Mediterranean Agronomic Institute of Chania

Nikoloudi A. 1999.The use of Rotenone against the olive fly *Bactrocera olea* under organic farming. Mediterranean Agronomic Institute of Chania

**Graduation Thesis supervision** (more than 70 thesis)

## **RECENT PARTICIPATION IN SEMINAR - CONFERENCES**

- 11<sup>th</sup> International Conference : “**Protection and Restoration of the Environment XI**” 03-05/7/2012 Corfu
- 10<sup>th</sup> International Conference : “**Protection and Restoration of the Environment X**” 05-09/7/2010 Corfu
- 11<sup>th</sup> International Conference on **Environmental Science and Technology. CEST2009.**
- 1<sup>st</sup> International Conference on “**Hazardous Waste Management**”. 1-3-October 2008 Chania. Greece
- 10<sup>th</sup> International Conference on «**Environmental Science and Technology**». Kos 5-7 September 2007. Aegean University.
- 1<sup>st</sup> International Conference on “**Environmental Management, Engineering, Planning and Economics**” (CEMEPE) Skiathos 24-28 June 2007. University of Thessaly.
- 8<sup>th</sup> International Symposium : “**Protection and Restoration of the Environment VIII**”. Chania 3-7 July 2006.
- 2<sup>nd</sup> International Conference «**Water Science and Technology – Integrated Management of Water Resources**». **AQUA 2006** - HELEXPO PALACE Athens 23-26 November 2006. Association of Greek Chemist.
- 1<sup>st</sup> International Conference «**New water culture of South East European Countries**». Athens 21-23 October 2005. Association of Greek Chemist.
- 2<sup>nd</sup> European **Bioremediation** Conference. Technical University of Crete. Chania 30/6-4/7-2003.
- Ariadne International Conference on “**Agricultural and Rural Information Applied to Defense of Nature and Environment**». Hania 13-15 November 2002.
- Regional Symposium on: “**Water recycling in Mediterranean Region**”. Heraklion 26-29/09/02.
